If there are scheduling problems (teachers or students), text Jerri Pippert. There are fewer registrants this year, but we still need nine judges. Student nametags will show playing time(s), not names. If student needs a makeup time the following Saturday, let Susan know as soon as possible.

Lara Fulcher reported Elizabeth Gutierrez would present the workshop after April meeting. Workshop will go till noon. Also Michael Schneider will perform at Houston Symphony League before performing at Autumn Artist Festival in October and is interested in presenting to school children at no additional cost if anyone knows of opportunities. She asked if any teacher would want to schedule private lessons for their students with him when he is here for the Festival.

Madge Hunt reported that Richard Dowling would perform at Houston Yacht Club in La Porte on Feb. 18, a classical and Joplin concert. She brought flyers. His 3-CD set was nominated for a Grammy. She also reported that Glen Wester is back working after illness.

Thank you to Carla Seibert for taking these minutes.
